

Art.Nr.	925020
Weight	50g
Dimension	31 x 220 mm
Color	blue/yellow

### **DESCRIPTION**

- ✓ Safe checking of the frost resistance of the coolant liquid
- ✓ Plastic areometer obeys the thermal expansion of coolant liquid (the density determination) and allows for preventing of indication errors by glass areometers
- ✓ Lower liquid consumption
- ✓ Break-proof plastic housing
- ✓ Measuring range: from -10°C to -40°C
- ✓ Filling capacity: circa 14 ml

### **CERTIFICATES**
