

PROFESSIONAL AIRODYN

Barra da tetto per veicoli commerciali complete di kit di fissaggio. Dotata di profilo in alluminio sagomato e aerodinamico con scanalatura per il montaggio rapido di accessori tramite viti a "T". Completa di profili in gomma antifischio per la scanalatura superiore ed inferiore. Serratura antifurto opzionale.

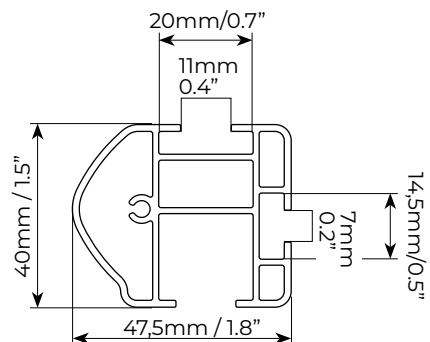

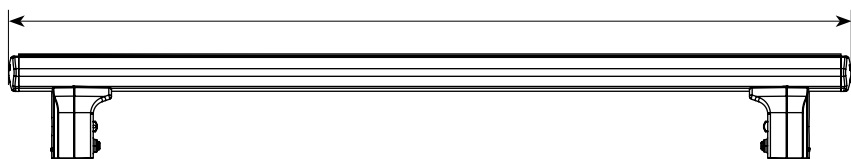

Roof bar for commercial vehicles complete with fixing kits. Equipped with aerodynamic aluminum profile with grooves for the quick fixing of accessories via "T" screws. Complete with anti-whistle rubber profiles for the upper and lower grooves. Optional anti-theft lock.

Grazie al suo design, è possibile regolare l'inclinazione e l'altezza di ogni profilo per mantenere le barre allineate tra loro, consentendo di trasportare il carico in maniera sicura.

Thanks to its design, it is possible to adjust the inclination and height of each profile to keep the bars aligned with each other, thus allowing the load to be transported safely.
